

AGC MEETING MINUTES

9/30/04

President Patrick Weller opened meeting at 6:04pm. Officers Isaac Larson, Treasurer; Nate Lotvedt, Vice Pres.; Sarah Grosz, Secretary; and Heather Thompson Marketing Director were introduced.

Guest Speaker Lisa Hauk was next to speak. She handed out information sheets and gave a presentation about studying abroad opportunities. Any students interested in talking with her can visit her in Ceres 338 or go to www.ndsu.edu/INTERNATIONAL.

Isaac gave a brief treasurers report stating that there was no change since our previous meeting.

Sarah gave a demonstration of our new blackboard site and the tools available to members there. Also, all meeting minutes will be posted on that site and any comments on them are welcome. If members have not been added to the website they need to get in contact with one of the officers and they will be added.

E&A Expo went well and we received compliments from the career center again this year for our help.

Our last main avenue field trip was completed and general consensus stated that it went well and was interesting. A thank you letter will be sent to our trip organizer by Nate or Mike Conlon.

A high way clean up trip will need to be done still this semester and hopefully will be organized for later this month. These volunteer activities allow us to continue to receive student organization funds and it is important that all members are involved.

AGC supplies requests need to be completed and turned in to Ingrid.

New field trip ideas were discussed and the possibility of a trip to Four Bears to see the bridge and also arranging a field trip to the Coal Mine in Beulah have been discussed among executive board and was well received by members. Plans for that trip will be planned for early this coming spring.

Scott Stoekel has donated a hot tub for our NAHB/AGC entry in the homecoming parade and anyone with a generator we could use should talk to him.

The state convention for November 29-December 1 will be held in Bismarck and is coming up; plans for that will be discussed after ASC Competition.

Sweatshirts for a fundraiser are being worked on and AGC/NDSU t-shirts are now available to AGC members after they have paid their dues.

Information meetings for Lusardi and Kiewit are next week and members are encouraged to attend.

Meeting was closed by President Pat at approximately 7:34pm.
