

MEETING MINUTES 11-2-04

AGC student chapter meeting was opened at 6:30 by President Pat Weller. Pat introduced then introduced the other officers present at the meeting Isaac Larson, Treasurer; Sarah Grosz, Secretary; Nate Lotvedt, V.P.; and Heather Thompson, Marketing Director.

Our guest speaker for the night David Karrels was introduced to the group next. David did a great job of familiarizing the group with the Merit Care Project and brought half size prints and specifications books to show to the students. He also talked about the differences between construction manager bid projects and general contractor bid projects. AGC will be taking a field trip to visit the Merit Care jobsite this Thursday Nov. 4th and will gather outside Ingrid's office at 10:45 to leave on a bus together. Students are reminded to dress properly for a jobsite tour; hard hats will be provided by the department.

Pat continued the meeting by reminding anyone who had not paid their dues yet that they were \$20 dollars for the year and you receive a free AGC t-shirt when you pay.

Finally the state convention activities were briefly discussed and plans for making furniture to auction off for chapter money were brought up to be finalized at a future date. Signs for our t-shirt design contest will be up soon and there will be a \$100 prize to the winning design. Finally the idea of drawing for Dr. Smith's parking spot for a week was discussed and the group will see if Dr. Smith will be willing to donate his spot.

Again, students were reminded to vote the polls close at the union at 8:00.
Meeting was adjourned at 7:20pm.

Next meeting is scheduled for December 2nd.
