

MEETING MINUTES 12-2-04

AGC student chapter meeting was opened at 6:15 by President Pat Weller.

The first topic was how the AGC Convention in Bismarck on Monday went. Pat reported that we still have boxes of shirts leftover and will be selling them for \$5 each. Recommendations for future conventions were to offer larger ticket items to auction off for 'bigger spenders' while still offering our fundraising games or items for the average donators. Our trip for fundraising will not come out even with our expenses for this year.

Our sweatshirt design competition turned out to be no competition as only one entry was received. That enterer will receive \$100 and we will decide as an organization whether we like the design at next semesters meeting. The group unanimously decided on hooded sweatshirts with front pockets to be ordered next year with a design of our choosing.

The field trip to four bears lodge has been canceled as the project site has been shut down for the next six months due to an accident that happened there.

Borderstates has invited our group for a field trip there and AGC Exec. Board is working on dates for our visit.

Meeting was closed in record time at 6:25p.m.
