

Meeting #1 Minutes for Thursday September 8th, 2005

Joel Hanson from the Career Center needs volunteers for setting up and taking down the equipment for the Engineering/Tech Expo. Sign-up sheets are posted outside Ingrid's office for those that can help. He also has resume critique sessions set up, and the times are available on the Career Center's website.

President Tom Schoeberl started the meeting with officer introductions. Vice President Adam Naastad, Treasurer Tony Ghilani, Secretary Jessica Swanson, Marketing Director Brian Abeld, and Mentor Director Josh Spooner.

Old Business

1. Tony reported that our bank balance is around \$6,000.00. He currently has a call in to student government for their funding.
2. Sweatshirts are still on sale. They are for the 35th Anniversary of the CME Department here at NDSU. They are \$40.00 each. Contact Tom Schoeberl for quantities and colors available.
3. There will be our first field trip coming up, and when we know all of the details, it will be posted on Blackboard, and the sign-up sheets will be outside Ingrid's office.
4. We are working on the structure of the Mentoring Program. As of right now, our main goal is to help the underclassmen with their classes. If anyone has any suggestions or would like to volunteer, contact Josh Spooner.
5. Competition is October 26-29. This is the same weekend as the FE Exam. If anyone is on a competition team and is signed up for the FE Exam, please let Tom know so we can find a replacement.

New Business

1. Patrick Weller is still working on our new constitution. When he is completed, it will be available for all to see on Blackboard.
2. Fall Highway Cleanup is scheduled for September 17th, meeting on the North end of the CME Building at 10:00 am. We have a 2 mile stretch of land that is on Highway 75, just South of Moorhead. If we get enough volunteers, it should only take 1 ½ or 2 hours at the max. Sign up sheets are now posted outside of Ingrid's office.
3. We are signed up for a co-ed intramural flag football team. As of right now, we don't know what day we play on, but as soon as we know it will be posted on Blackboard.
4. If anyone wants to post their resumes on our site, contact Brian Abeld.
5. The golf tournament is currently set for September 29. It will be a best ball tournament, and it will either be played in Hawley or Mapleton.
6. During competition preparation, it might be necessary to have replacements for some officers if the load gets too heavy. Anyone interested in filling in for a month or so should contact Tom. It is a good opportunity for anyone considering an officer position in the future.
7. Our 2nd meeting will be on Tuesday, October 18 at 6:00 pm. Hope to see you all there.
